WHY FINTRUST

Everything you need, nothing you don't

We've stripped away the complexity to give you a banking experience that's powerful yet simple.

Bank-Grade Security

256-bit AES encryption, biometric authentication, and real-time fraud detection keep your funds safe around the clock.

256-bit AES

Instant Transfers

Send money to anyone, anywhere in seconds. No delays, no waiting days for funds to clear.

Smart Analytics

Understand your spending with beautiful, AI-powered breakdowns and personalized savings tips.

Global Payments

Pay and get paid in 50+ currencies with real exchange rates — never hidden markups.

US EU GB JP CA

Mobile-First Design

A flawlessly designed app for iOS and Android. Manage everything from your pocket.

SIMPLE PROCESS

Up and running in under 5 minutes

01

Create Your Account

Sign up with just your email. No paperwork, no branch visits, no waiting in line.

02

Verify Your Identity

A quick, secure ID check powered by AI. Usually done in under 2 minutes.

03

Fund Your Account

Link your existing bank or deposit cash. Start using your account immediately.

04

Banking, Reimagined

Send, save, invest, and manage your finances with full confidence.

REAL REVIEWS

Loved by people just like you

★★★★★

"FinTrust changed how I think about banking. The interface is stunning, transfers are instant, and I've never paid a hidden fee. It's the bank I always wanted."

MR

Marcus Reynolds
Entrepreneur, New York

★★★★★

"Switched from my old bank and the difference is night and day. Setup took 4 minutes. Incredible."

LP

Laura Patel
Designer, London

★★★★★

"The analytics feature alone is worth it. I finally understand where my money is going every month."

TK

Tom Kobayashi
Developer, Tokyo

★★★★★

"Customer support is fast, helpful, and human. Not a single bot response. Unheard of in banking."

AN

Amara Nwosu
Teacher, Lagos
